We hope, therefore, that "fact to be, as claimed by Tennessee, to that end. We hope, therefore, that "fact to be, as claimed by Tennessee, to the committee on New York Election Frauds, were ordered to-day to be discharged; but in the case of one of them, another week will not be permitted to "that her emancipation was unaided by pass without some expression of opinion, "the force of Federal authority, they by the people of Memphis, to the neces- "deeming the abolishment of slavery sity for a movement that may lead to "as one act throughout the nation." and there are indications that they are row, and a lively time is anticipated. the improvement of a river that is only Many other corsiderations are pre- laboring to produce an insurrection, The contempt with which he was less important to us than the Mississippi. sented by the report, but these are the which may break out at any moment, charged was at best but a technical one,

TERSITIVE EG MA leading ones. GRANT. In view of the approach of inauguration day, What are we to expect from GRANT? becomes a pertinent and important question. During the Presidential sanvags a great deal was said of the President elect that was doubtless unjust, a great deal that is to be set down to the heat of debate, and the eagerness Louisville, February 7.—Departed, denied by his most active pariisans, in- Sam. J. Hale, Memphis. credit, that Gen. GRANT is justly re- J. W. Garrett, New Orleans. sponsible for much of the evil that has been inflicted upon the South in the shape of reconstruction. It will, therefore, be proper for us to measure the fu- BOSTON, February 7.- Jno. A. Bogden, screen himself from the responsibility of that betrayal by falsehood, proven though political in its bearings, and farce of impeachment, when he bent his whole power to break down and utterly

President Johnson, nor his attempt to Banks and others. such by members of the Cabluct. Aialtogether. We will not touch upon Penitentiary, at Alleghany City. his quiet and secret interference in the rain the political foture of the President; last summer, an adjournment of Congress, last summer, an adjournment of Congress, so as that body might continue to flourish the party whip over Mr. Johnson. These were political malevolences to be looked for from Greeners or Philoso much as essayed a stump speech to the village of Galena. Yet they are somewhat indicative of the man, and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression into which includes a process of the man and of the current of political expression in the current of political e of note. It is when we remember the color and character of the reports of his staff efficers, Barcock and Porter, and of Gen. Avres, that we feel most strongly president, and W. Archdull O'D) herty of Gen. Avres, that we feel most strongly president, and W. Archdull O'D) herty president and W. Archd mously elected Hon. Henry G. Stebbine of Gen. Ayres, that we feel most strongly fortified in the opinion we have expressed. With all the avenues of truth and fair play open to him, and by which he might have informed himself that CLAY-mortgage loan is closed, in consequence of the very large negotiation of bonds are contested. Dan Voorhees' after the list.

BROWNLOW'S WHIG. NASHVILLE, February 5, 1866, To the Editor of the Republican Banner: When a citizen is charged with debt, damages or misdemeanors, he is not bound to make any defense until the charges are supported by proof. And so when he is attacked by a scurrilous newspaper, hais not bound to take any notice of his assailant until the allegations made are, in some way, supported He would be a slily person who would suffer himself to be drawn into a defense against every reckless and unfounded allusion that might be made to him. In this way I shall treat the wordy editorial in the Knoxville Whig of the 2d inst. There is not a single allegation in the ar-ticle fairly or correctly stated, nor one, however trivial, that I cannot disprove by evidence at my command. But it is not incumbent on me to do so, and I should not write even this card but that some persons seem to expect a reply from me. My statement of facts is be-

C rificules, verbalim, from the undersigned, Medical Professors and distinguished gentlemen in Mempuls, Tenn.:

We take great pleasure in stating that the improved Austranan Crystal Glass Spectades, which we have obtained from Dr. L. Stern, are the best we swer used. Our own experience raily susisi a the testimonials of excellence and commendation which he has received from soutemen of science in various parisot

PRACTICAL

Locksmith, Safemaker and Machinist,

Dr. I. Nemas—Sir: In the early part of my life I worked at an iron lorge, where my great were much injured from the intense heat and exposure in working in the blast to prevent the burning of the metal, causing me to resort to the use of spectacles prematurely. Having seen your or ifficates and testimonials from persons with whom I am acquained I was induced to engage you to restore my vision; and I take piessure in stating that my sight is a much improved that I can see to read or write on a clear day without the use of glasses, which I have not teen able to do in twenty years.

Nespectfully yours. No. 119 Jefferson Street, Momphis, Tenn. I have not been able to do in twenty years.

Respectfully yours.

RO. E. REDWOJD, 28 St. Joseph street.

Certificates and restimon als (fac-simile) to the above can be inspected at the Enctor's office, and from other distinguished gentlemen.

All diseases of the Eye and Earosa effully and a successfully treated by Dr. S., who is highly recommended by the most prominent citizens and scientific gentlemen of this country and Europe.

Office hours from 10 to 12 m. and 2 to 4 p.m. feb2 Established in Memphis 1556. DURGUAR and Fire-proof Safes made and regained. Light Machinery, Printing Presses, etc., re-paired. Iron Doors, Santters and Vanits made. Locks repaired or made to order.
